LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Monroe

Contact: eddieb29@hotmail.com

Location: 13 Marc Terrace

Date : January 15, 2018

This Kitty has been begging at our front door for over a month. We feed her in the early am and pm before dark. She is friendly, not a feral cat. A very pretty cat. I am taking her to be spayed in two weeks to the TARA spay and neuter van in Monroe. She hangs out at my house on Marc Terrace in Monroe, NY.
