LOST PET

Lee from Thompsonville

Contact: (516) 446-4597

Location: Ranch Road

Date : February 11, 2018

My mother's cat, Lee, went missing approximately 1/25/18. He is an older large male domestic shorthair – white with black patches, a black tail and black ears, and amber eyes. He is extremely shy/a scaredy cat. My mother is heartbroken and wants Lee back in the worst way! ??
