Contact: 845-623-6369

Location: 3 Orchard Lane

Date : May 6, 2018

She got out of the house on Tuesday May 1st. The first 6 months of her life, she was feral. She has been a house cat for the last 5 1/2 years. She was lost in Nanuet on Orchard Lane. The intersecting streets of Villa Drive and Cara Drive. Orchard Lane is between Cleveland Street and Hillaire Place. She almost looks like a mini bobcat. That is best way to describe her markings/coloring.
