LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Walden

Contact: Viking98@hvc.rr.com

Location: 248 St. Andrews Road

Date : August 18, 2016

Super friendly male cat found its way to my house. Not afraid of other cats or dog. Wants to come in the house. Has been neutered. Must be someones lost pet. Now has a covered bed and is eating/sleeping on my covered deck. Need to find his family.
