Contact: rkruglya@u.rochester.edu

Location: 18 D Heritage Drive

Date : June 13, 2018

Our sweet sweet cat, Miso, seemed to slip out of the house this afternoon (Tuesday June 12th). She is mostly white with grey markings on her tail, back, and head. She is about one-year old and is weary around new people. She responds to Miso and loves anything fish (tuna or salmon)! We are offering a reward to anyone who finds out sweet little furball!
