LOST PETS of the HUDSON VALLEY

LOST PET

Guinness from Wappingers Falls

Contact: vlowrey@optonline.net

Location: 22 Alta Drive

Date : August 12, 2016

Friendly, will investigate what's inside an open door such as garage or storage shed. Lost meow last year to respiratory infection so makes odd noise like a gargle instead of meow. Purrs like a truck, even when eating. Weighs about 13 pounds.
