LOST PET

Romeo from Kingston

Contact: 917-660-3303

Location: 82 Chapel Street

Date : June 19, 2018

My male cat, ROMEO, went missing from Chapel Street, Kingston, NY at 2 am today, Sunday 06/17!
He is not wearing a collar! But he's very friendly! Romeo has grey fur with a white crown, white legs and belly, green/yellow eyes and is approx. 10 lbs.

He is a 16-year old indoor cat, not familiar with the neighborhood!! He's typically very vocal with strangers, but probably scared! May be found hiding under a house! Please contact 917 660 3303 as well as any shelters in the Kingston area if you see him or have any helpful information! Thank you so much!!
