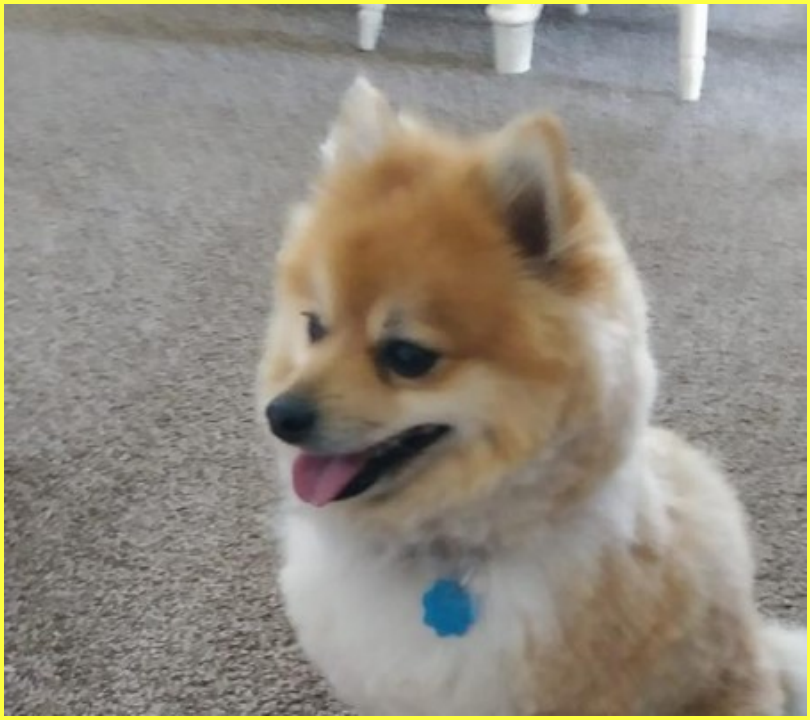
LOST PET

Buddy from Elizaville

Contact: sewing@mhcable.com

Location: 795 Taghkanic Road

Date : July 28, 2018



Our Pomeranian got loose and was picked up by a woman (on Livingston Road in Taghkanic) who asked a neighbor if they knew who he belonged to, they hadn't met Buddy so did not know him. She said she was going to take him to the Sheriff. The Sheriff has not had any contact, the state police have not been contacted. We have put up posters in our area hoping the woman

who picked him up will see them. He is from the Taghkanic and Livingston Roads area. Please call 518-851-9536 if you have any information.
