LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Middletown

Contact: 503-358-7650

Location: Scott Drive

Date : July 27, 2018

She made home under our pool deck around July 23rd and hasn't left our back yard since. She is clean, friendly and wants so badly to come in the house. Please share this and help her go home! We live on Scott Drive near the Little League Park. If you have any information that will help her get back home, please let me know: 503-358-7650 Keith.
