Date : July 9, 2018

My baby was lost on the 4th of July 2018. She's a Chihuahua, all white with brown on the left side of her face, and has a couple brown spots on her neck. She also has a very short tail. Please, I'm trying to get my baby back. Please help, she was lost in the Bronx, last seen on Seddon St and Buck in the east section of Tremont Avenue.
