Date : September 23, 2018

Reward being offered for the return of my very much missed female Jack Russell Terrier, who went missing this morning around 8 am in Slate Hill. Abby is white with a brown mask, she is wearing 2 collars: one regular one and a shock collar, which was not turned on when my boyfriend brought her out to the barn this morning. I am beyond heartbroken and hope and pray for

her return. Please call 973-862-0276 with any info, thank you.
