Date : October 12, 2018

Hello,
There is a gorgeous young black cat around my house is Pawling, NY. I can't get close enough to the cat, but the cat appears well groomed and healthy. I get the sense this cat is lost, and I would love to find their owners. I first saw the cat two weeks ago, and then this past Tuesday and today. Kindly advise if

you have any information regarding a potential owner.

Best,

Sue Kessman
