LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Holmes

Contact: 703.855.2084

Location: 40 Lake Drive

Date : December 29, 2018

Found: Two Asian geese, gender unknown. They showed up on our lake about a month or two ago and have been hanging around our property, where the lake does not freeze because of aerators in the water. We would really love to find the rightful owners.
