Our Cat is missing from Rhinebeck, NY. Her name is Lily, and she is a 16-year old brown Calico-Tabby mix with black spots and stripes. She was last seen last Thursday, the 22nd. If you see a cat with a purple collar that has a bell on it, it's probably her. She is very friendly, and she will respond to "Lily". Please note, that if you find her, she will be hungry, and please note she also has

fleas. If you see her, please contact Angela Sullivan ASAP at 845-264-5681.
