About a year old female cat named Chopet. She is super friendly and will follow around like a puppy dog. She was travelling with her family from Pine Bush, NY via horse trailer through Albany Post Rd, through New Paltz and onto 87. With one stop on the Malden rest area, upon arriving to Vernon, they noticed she was gone. Please, family is desperately looking for this super

special cat and want her home and safe.

Please if you see her contact me via phone, Text messages preferred.
