LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Fishkill

Contact: 845.401.3573

Location: Osborne Hill Road

Date : June 15, 2019

This parakeet has been hanging around my house for a week now. I was able to catch it. I am going to call the vet we use to see if they will take it or know where I can bring it to. Maybe someone is missing this little bird. I bought a cage and that's where it is now with food and water.
