LOST PET

Baby from Cold Spring

Contact: lagb43@yahoo.com

Location: Route 301

Date : October 1, 2016

My baby who I named Baby, has been missing from his home since Sunday, September 26, 2016. Please email me if you have seen him or know where he is. I miss him terribly. He should have a tag on his neck that say's his name and phone number. Thank you for everyone's support.
