LOST PET

Hana from Pleasant Valley

Contact: (845) 592-2235

Location: James Baird State Park

Date : July 27, 2019

Last seen on July 21st in the James Baird Park around the playground/jungle gym area. We had took her out for a walk until she ran off. We later found her leash under a log, and left lots of food out for her. We miss her so much, it's only been a few days since she's been missing but her absence has absolutely devastated us. Please be on the lookout for our baby.
