Our female black and white cat is missing from the Tennis Courts at the Red Hook Recreation Center. This happened last night, July 13, 2019. We believe she was picked up by a woman in a white station wagon who might have assumed she was a stray. We are heartbroken. Any information leading to us finding her is appreciated. Please contact Marcella at 732-766-0919. We're offering a reward. Thank you.
