LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Yorktown Heights

Contact: 203-470-6335

Location: Sagunka Drive

Date : June 27, 2019

This cat has been around the neighborhood for 3 or 4 days reported on different properties. Looked hungry, very afraid of dogs, friendly to humans. No collar. Male. We brought him in tonight and are feeding him. We can't keep them at this time. He may not be neutered. He looks maybe a little less than a year old. Litter trained and adoring.
