LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Highland

Contact: dcoral@optimum.net

Location: North Elting Corners

Date : October 28, 2016

This little guy has been hanging around. Appears to be a young and healthy runaway. Acts like it wants to be friendly but still skittish. We are keeping him/her fed, and sheltered. Hopefully someone knows who it belongs to, or can help in getting him/her to a no kill shelter.
