**Location: 27 Upper Cady Road**

**Date : August 14, 2019**

**Our dog Chloe was lost on Upper Cady Road in Old Chatham on either Sunday or Monday night. There was a sighting called in to 911 on Sunday night on 203 and the Taconic on Sunday night at 7:30 but it doesn't fit the time line the babysitter reported. We were using a sitter with Rover for the first tome. We are offering a reward as is Rover.com.**
