LOST PET

Zorro from Warwick

Contact: 631-560-2055

Location: 62 Walling Road

Date : August 12, 2019

Zorro is a black and white rescued feral cat. He has been neutered and his ear is clipped by TARA. He left when released at my barn but left his sister behind. They had always been together. Just hoping someone may have spotted him. He has been missing since June.
