LOST PETS of the HUDSON VALLEY

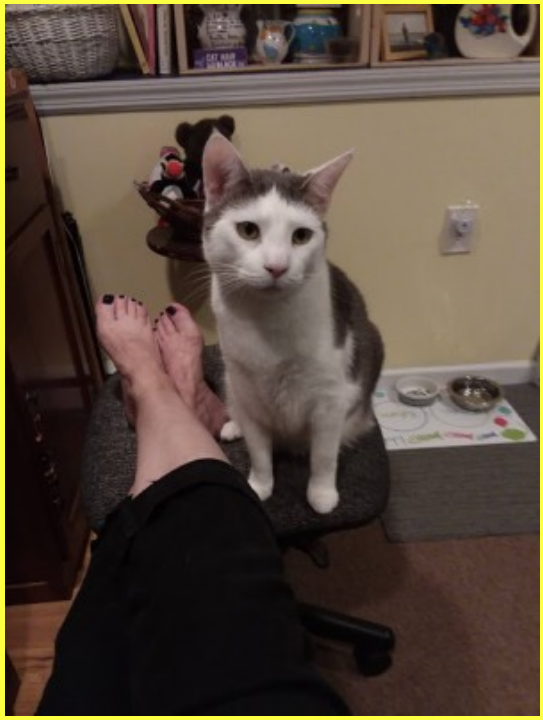
LOST PET

Arlo from Walden

Contact: 802-578-8587

Location: Pond Road

Date : September 26, 2019



Arlo is still missing. He is an indoor cat that broke through a window screen on 9/23. He is not street smart and does not know the area. He is a shy boy and may not come when called. He has a microchip and a little green tattoo on his belly that denotes he has been neutered. Please help us bring him home.
