Henny from Cornwall

Contact: 845.542.1877

Location: 241 main street

Date : September 19, 2019

Henny was last seen at 7:30pm yesterday. She lives on main street in Cornwall by Shamrock tavern. She doesn't have her collar on due to getting a bath moments before her disappearance. She's an indoor/outdoor cat so we are hopeful she's just upset because of the bath but she's usually never gone for more than 24 hours. She's friendly and might be able to be picked up if she

isn’t too scared.
