LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Hyde Park

Contact: 845.750.1861

Location: 10 Sherwood Place

Date : October 16, 2019

A young mixed yellow lab showed up at our porch at 5 am wanting to come inside. I let him in because it seemed like someone lost their dog and I wanted to take care of him. I fed him, gave him water and a bed and he made himself at home. He is very sweet and I hope that he will be reunited with his owner.
