FOUND CAT. Male tiger tabby, very sweet and friendly. I found this cat in the parking lot of Verizon & Starbucks on the corner of Route 9 North and Merritt Blvd. He came right to me, letting me pet him and meowing for help. Unfortunately, he does not have a microchip or collar. He is currently safe at my house. Hoping to find his family before the holidays! If anyone recognizes

him, please contact me. My number is (917) 359-4096. Thank you, Kristin White
