Lost Chihuahua! Went missing around 7:30 pm on Thursday night, November 3, 2016. She's white and tan, approximately 11 lbs with a fluffy long tail. She was last seen entering a path into the Woods on Brown Road. She was wearing her pink bidazzled bone shaped collar and a Seresto flea and tick collar. She's beautiful and friendly. She dosn't bite but she is a runner. Please

by all means if you have any information on her whereabouts, please give me a call at 845-609-7237. Her name is Schatzielien, she also responds to Mama's baby, or sugary pie.
