LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Monroe

Contact: 479.650.4680

Location: Museum Village Rd

Date : October 6, 2019

Hi guys! We found this kitty on the road at the Museum Village exit around 1130 last night. She was scared and crying and ran right up to me. We took her to our house and she curled up in my lap and is very comfortable with people, and knows how to use a litter box, so I think she definitely belongs to someone. Please share so we can find her family!
