LOST PETS of the HUDSON VALLEY

LOST PET

Jaspur from Poughkeepsie

Contact: 845 399-1278

Location: Clover Hill Drive and Titusville

Date : October 7, 2019

Our cat went missing after returning from a vet visit. He was stressed out. His name is Jaspur and he's a black and white long-haired cat. If his collar is still on, he should have a small Bell and a tag. Jaspur is a pretty skittish fellow. We rescued him about 3 yrs ago. Any help would be greatly appreciated.
