LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Poughkeepsie

Contact: 845-453-9130

Location: 5 Topaz Run

Date : January 6, 2020

This beautiful cat has been showing up at my sliding glass door, for weeks. My indoor only cat Fella goes bonkers when he sees it. I have been leaving dry food outside, and have been able to pet it. I feel so worried, as the weather will only get colder. I am a cat lover, and hope someone claims it. I live opposite Saint Peter's Cemetery, in Crystal Glen Town House community,

which is not safe to have an outdoor cat.
