We have a tabby cat in the neighborhood who needs a home. He's not so much lost as he is abandoned. His owner died and the owner's son released the cat from the house to fend for himself. Does your service provide finding cats a new home? Any information would be helpful. Please contact me by email at margaux91@aol.com. It's cold out and we are very concerned about this cat's welfare.

Many thanks,

Tammy
