LOST PETS of the HUDSON VALLEY

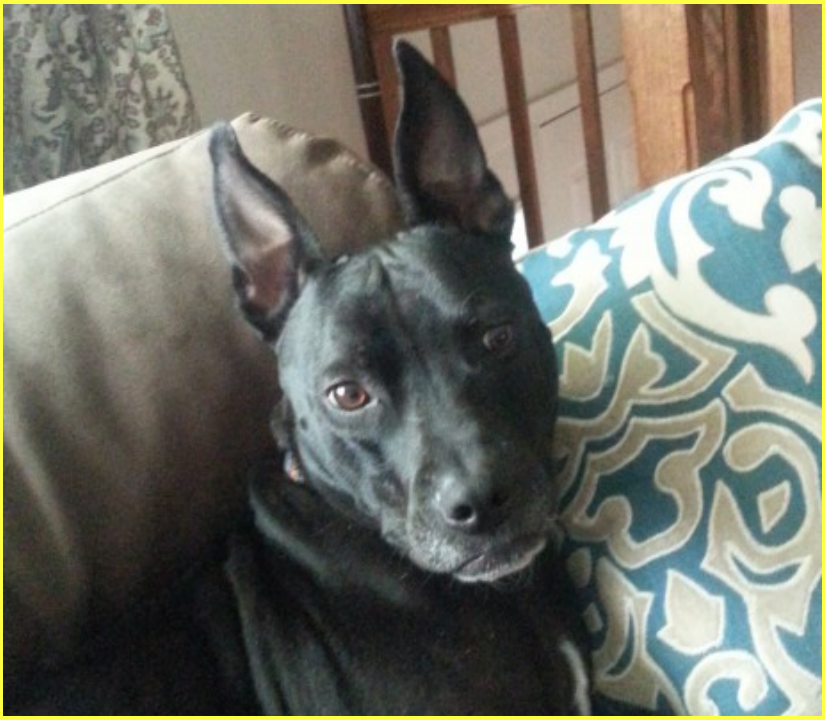
LOST PET

Josie from Otisville

Contact: 845-321-3414

Location: Guymard Turnpike

Date : January 31, 2020



She is very timid and leery of strangers, but not aggressive in the slightest. She was a rescue and isn't completely at ease with others besides us. However, she is so sweet and would hopefully not run away if someone approached.
