LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Saugerties

Contact: 845 663 4026

Location: 1765 Route 212

Date : December 10, 2016

This older female dog was found in Saugerties on December 8th near the Thruway. She is quite emaciated and weak, but friendly and sweet. She is at the shelter now and will be placed with a foster volunteer soon. Please let us know if anyone knows anything about this sweet girl. In the meantime, we call her "Honey."
