LOST PET

Pauli from Poughkeepsie

Contact: Todoroff@verizon.net

Location: 10 Whitehouse Ave

Date : December 7, 2016

We lost a 4 year old male cat last night on Whitehouse Avenue in Poughkeepsie. He went out the front door around midnight when I took out the garbage and did not respond when called. He had never been outside before. His name is Pauli. He is a grey and black striped tabby. He has a blue collar with “Paul” in large rhinestone letters.
