LOST PETS of the HUDSON VALLEY

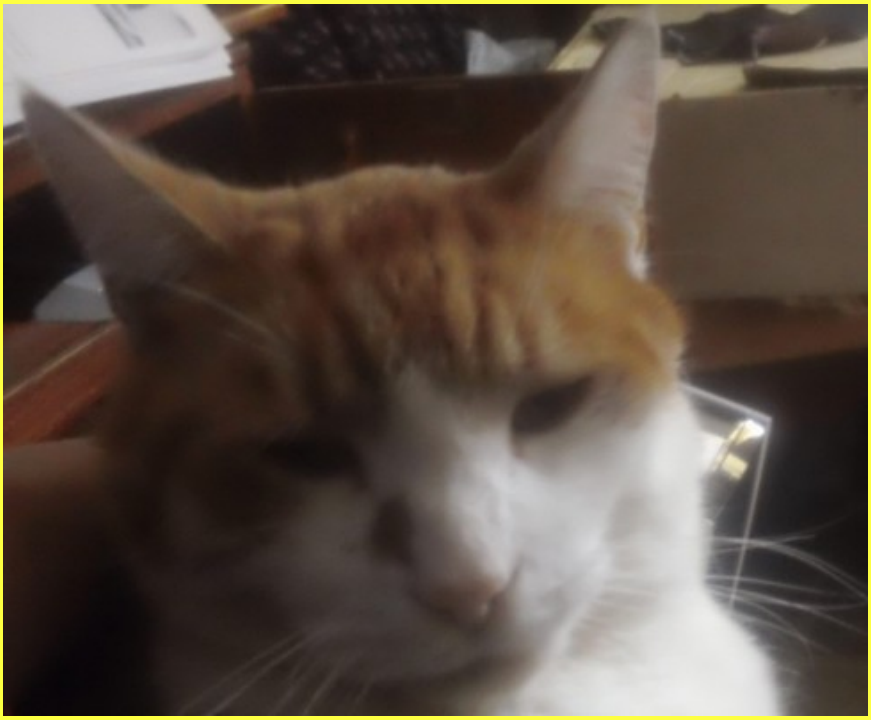
FOUND PET

Found in Wallkill

Contact: 845.728.0091

Location: 221 quaker st

Date : January 10, 2020



I posted this a year ago when I brought him inside, he had been coming here to eat for a few months and when the weather turned really bad, I brought him inside. He was a little thin and it was really cold (he is not thin anymore), I am only posting this again because if he where mine, I would want him back. He is a good cat.
