LOST PETS of the HUDSON VALLEY

FOUND PET

Found in North Chatham

Contact: 518-477-7914

Location: Rte 203

Date : February 20, 2020

Hello! We have taken in a stray found Monday afternoon around Rte 203, Columbia county/Rensselaer county line. He is an intact male, mix. Wonderful personality, warm and affectionate. Seems to be in good shape. Did come to us with a couple abrasions but not new. We have shared him all over Facebook, if anyone knows anything please reach out to us. If he has a family

we need to find them.
