LOST PET

Smeogel from Beacon

Contact: 845.745.2532

Location: 531 Fishkill Ave

Date : February 8, 2020

He is an indoor cat who may have slipped out last night (2/7) when my housemate let her dog out. He is very friendly but probably scared and hungry. He is very food motivated so you may be able to draw him to you with food/treats.
