Our Suzy went missing from our home this evening (Sunday, February 2, 2020) around 6PM. She is an elderly gal at 15 years old and she rarely wanders away from home. She is almost completely blind, but can see shadows and does ok in well-lit environments. Our house is located behind the Union Vale Middle School (near Rte 55 and East Noxon). She may be

wearing her sister's collar that lists her name as Roxy.
