A super sweet Tuxedo came to our house last night. He's well fed, has clipped claws, and is extremely friendly and affectionate. An exceptional fellow. His tail is short due, probably to an accident. He's so friendly I don't believe he was abused. I told our cat that he'd better watch it – this fellow is nicer than he is. I call him Romeo.

CAT WAS FOUND ON LUCAS TPKE BETWEEN COTTEKILL ROAD AND 213.
The address I listed is not where he was found and is presently staying.
