LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Walker Valley

Contact: 845.800.0373

Location: 3658 State Rt 52

Date : June 3, 2020

I live at 3658 rt 52 in walker valley and a very friendly male grey and white cat has arrived here just now. He has a small limp, white feet, and white splotch on his nose area and is thick coated, not quite long haired. I've fed him but he keeps crying and if someone has lost him please call me so we can get this sweet baby boy home.
