LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Pleasant Valley

Contact: 917.774.2375

Location: Travis Road

Date : July 9, 2020

This cat has been hanging around our yard and woods for about two weeks, thought it was a local farm cat but it may be lost. We are in the outskirts of Pleasant Valley, NY. It is slender, young-looking, light tan with light stripes, stripes are slightly darker at the tail. Will not come to us and runs when approached. May be similar to your post on FB for a lost cat named Wasabi,

but this cat looks lighter in color.
