Contact: 845-706-2696

Location: 185 Delaware street

Date : May 1, 2020

On 4/29/2020 our Maine coon cat Louis went out as usual but unfortunately has not come home. He is a fluffy ball of love with amazing gold eyes. We live in Glasco and he has always come home at night. He will come if called and is up on all his shots. Please call day or night and I will happily come and get him. He is therapy for my dad with terrible dementia.
