LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Lake Hill

Contact: 201-926-3660

Location: 306 Mink Hollow Road

Date : August 2, 2020

A lost youngish kitty has been hanging around out property for about 6 weeks or so- at first we thought kitty was a new neighbors or maybe a visitors; but today we saw she must have mange and seemed hungry. Skittish but we can tell kitty is sweet. Mostly black with white paws and a white mask over her mouth and throat and a black smudge near the mouth.
