LOST PET

Woowoo from Plattekill

Contact: 845.926.8159

Location: KOA campground

Date : May 9, 2020

Last seen two days ago, he's an indoor/outdoor kitty. He goes by woowoo or woowee. Usually travels along Freetown Highway near the KOA but may have traveled out further. Lovable and likes to lay on his back and stretch out. He has a seresto collar on with a name tag and he's microchipped.
