LOST PET

Osiris (Formerly Newt) from Forestburgh

Contact: 845.741.8472

Location: 3001 State Route 42

Date : August 3, 2020

2 1/2 year old cat. We just adopted him yesterday so I know he's beyond scared and confused. He is super friendly and usually will go to anyone who kneels or sits on the ground and reaches out to him. He has some issues with his left eye and was getting treated. He usually doesn't respond to the "cat whisper".
