Niblet from Wappingers Falls

Contact: (646) 276-3301

Location: 78 Scott Drive

Date : June 15, 2020

Our Niblet was a bit off color last night, she didn't want her dinner but she wanted to go outside. Last seen on Scott Drive, Wednesday June 10th. She never strays far so this is concerning. She is microchipped & has a bell breakaway collar in red.
