LOST PET

Ruby from Newburgh (Sponsored by Kimlin Energy)

Contact: 845.401.6182

Location: Stern Drive

Date : October 9, 2020

Ruby is a small, feisty little girl and we are heartbroken that she has run away. She weighs between five and seven pounds. She may or may not respond to her name. When you try to pick her up, she tries to make it hard for you, and keeps herself low to the ground, flattening herself. She is wearing a leather collar with her name on a tag, and her owner's phone number on it. Her front

whiskers are prominent! Ruby's teeth are slighty crooked and she is missing a few. Ruby loves cheese and will come running if offered any type of food. She loves licking faces. She has been missing since midday, October 9th. Please, call us if you have any information. We just want our Ruby home. Her mother and grandmother are heartbroken.
