LOST PETS of the HUDSON VALLEY

LOST PET

Talia from Kingston

Contact: 845 399 4725

Location: 272 Albany Ave

Date : June 16, 2020

She is very curious and can be very bold, but can also be terrified and flighty. Loves laserlights. She was an an indoor cat, so no collars or chips, unfortunately. She has a long, funny meow and does this “haup haup” biting air thing when I pet her. If you approach, she will likely run. Spayed.
