LOST PETS of the HUDSON VALLEY

# FOUND PET

## Found in Milan

## Contact: 845 756-4166

**Location: Fitzsimmons Road**

**Date : April 8, 2017**

**Two females came off mountain, below is a picture of the one I was able to get. She is young, her companion was an older small yellow female Labrador wearing a pink color and of course the identification tags. This Shepherd mix has no tags, just a black/grey pattern collar and a flea/tick color and is young and sweet.**
